

# Animals, including humans – All about me

## STICKY KNOWLEDGE

The basic parts of the body are arms, legs, head, feet, hands	We smell using our nose	We taste using our mouth
We use our touch to feel	We use our ears to hear	We use our sight to see

KEY VOCABULARY	
Sight	Your eyes let you see all the things around you
Hearing	Your eyes let you listen to all the things around you. Your brain is able to tell you what the different sounds are.
Touch	Your skin gives you sense of touch. You can tell if something is warm, cold, smooth or rough without even looking at it!
Taste	Your sense of taste comes from your tongue. You can tell if something tastes bitter, sweet, sour, salty
Smell	You smell using your nose. Your nose can tell if things smell nice or not
