Fundamentals	<ul style="list-style-type: none"> describe and explain different ideas about God with reference to two religions or one religion and a non-religious worldview; ask important questions about religious experience and life after death and suggest answers that refer to traditions of religion and belief; 	Key Facts/Sticky Knowledge	<ul style="list-style-type: none"> - Jewish people believe that God created the world in 7 days. - Humanists believe in the Big Bang Theory - Jewish people believe that the creation story explains the way and that the big bang theory explains how.
Our Curriculum Journey	<p>Journey: First we had a session with an outside speakers to talk about how Jewish people believe the world was created. Following this we talked about the Jewish creation story. Then we moved on to learning about what humanists believe. Then we did a Venn diagram to show the differences and similarities between the 2 religions. Finally we thought about our own religions and what we are thinking.</p>
