Pinner Wood School

Year Group	2	Term	Autumn 2	Subject	DT	Topic	**Textiles**
						Key Question	*Can I design a purposeful, functional and appealing mail bag for Katie Morag?*

| Prior Learning and other Curriculum Links | **Nursery – Textiles:** I can explore different materials and use my senses to investigate them (Making beds for the three bears)

Reception – Textiles: I can safely use and explore materials and tools to create my own storyland character puppet and share my creation with others, explaining the process I took. | Skills statements | • I can generate, develop, model and communicate my ideas through discussions, drawings, mock-ups (Binka) and through the use of research (ICT)

• I can use a needle and thread to perform a running stitch and/or an overstitch to join fabrics together

• I can evaluate products I have made against the design criteria |
| Fundamentals | **Year 2 - Textiles:** I can generate and develop ideas, create and evaluate a mail bag, based on a design criteria. | Key Facts/Sticky Knowledge | • To join my bag together I can fold it in half and complete a running stitch.

• The hole at the top of the needle is called an 'eye' we push our thread through here.

• A running stitch is a stitch that goes up and down. Up through the material and down through the material.

• We tie at knot and the end of our thread to keep our stitch in place. |

Our Curriculum Journey	**Journey:** This unit links to our English Class Reader – Katie Morag Delivers The Mail. The children will have learnt that Katie Morag goes on a journey to deliver post around the Island of Struay but drops and loses her letters. The children will be tasked with researching, designing and making Katie a new mail bag. The children will learn how to join felt together by folding it and using a running stitch as well as adding a button to ensure the bag is secure. Towards the end of this unit, the children will evaluate their mail bag.
